

Grand Opening of the Rainbow Magicland Amusement Park

On May 26th, the gates to the new Rainbow Magicland Amusement Park near Rome will finally open. This huge park extends across an area of 600,000 m² (148 acres). Maurer Rides supplied the park with two of its products. On the X-Car Launch Coaster, riders are hurled forward at 95 km/h (59 mph) and twist through a non-inverted loop. And the track for the Indoor Spinning Coaster is 430 m (1411 ft) long, including two lifts and a brief outdoor section. For more information, see: www.rainbowmagicland.it

World Joyland - Warcraft & Starcraft Park in China

The Maurer SkyLoop is called "Mystery of Clouds". With a height of 50 m (164 ft), its top speed is 105 km/h (65 mph). This extreme coaster is located in China's new park, World Joyland. At this theme park, millions of gaming fans can immerse themselves in the World of Warcraft and Starcraft on a grand scale. The elaborate train station demonstrates the fantastic integration of the SkyLoop into the park's themes.

Grand Opening of the DIZZ - Spinning Coaster in Bobbejaanland

DIZZ is the newest attraction at Bobbejaanland, Belgium. It was built to commemorate the 50th birthday of this "World of Fun". From a height of 17 m (56 ft), riders plummet down the 420 m (1378 ft) track and pirouette between the trees at speeds of up to 55 km/h (34 mph). Noise reduction was very important. For this reason, the tracks were filled with sand and the lift motor was covered. The tracks were also reinforced with additional supporting tubes in order to reduce the number of columns that had to be erected in this beautiful park to a minimum.

DEAL Dubai

This year's DEAL 2011 trade fair was a complete success for Maurer Rides. The grand opening of the Racing Coaster "Fiorano GT Challenge" at Ferrari World Abu Dhabi generated intense interest in existing products and new items. The concept of two competing tracks with the option of 8 launches sparked many conversations and was the basis for new ideas and possible future orders. H.E. Hussain Lootah, Director General of Dubai Municipality also honoured Maurer Rides with a visit to our booth.
